ALLEGED VIOLATIONS

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation No. Nature of Noncompliance

1. The defendant shall refrain from any unlawful use of a controlled substance.

On December 18, 2012, Mr. Newton admitted to using marijuana around Thanksgiving. He also admitted to taking an old Valium that had been prescribed to him previous to his incarceration. His urine sample was very diluted and he admitted that he had attempted to drink lots of water in order to avoid the detection of his drug use..

2. The defendant shall submit to drug testing at the request of the probation officer.

Mr. Newton failed to report for drug testing on December 17, 2012. He admitted on December 18, 2012, that he missed the testing as he was afraid that he would submit a positive drug test.

Compliance with Supervision Conditions and Prior Interventions:

During his period of custody in the Bureau of Prisons, Mr. Newton completed the 500 hour Residential Drug Abuse Program. Mr. Newton began supervised release on June 7, 2012 and is scheduled to terminate supervision on June 6, 2015. He indicated that prior to his arrest, he abused alcohol, marijuana, cocaine and prescription medication. He consumed marijuana approximately 1 to 2 times per month. He indicated that he consumed a couple of grams of cocaine 2 to 3 times per week prior to arrest. He stated that his drug of choice has been prescription medication such as Lortab and Percocet. Mr. Newton successfully completed his three month period at a halfway house on September 4, 2012.

Mr. Newton has remained employed at Industrial Floor Service since the beginning of supervision. His dedication and skill at work are highly regarded by his employer.

As a result of Mr. Newton's recent drug use, his drug testing will be increased to monitor further drug use. The proposed modification would allow for Mr. Newton to benefit from further substance abuse treatment though denies need for further drug treatment and stated that he learned very little from the Residential Drug Abuse Program.

U.S. Probation Officer Recommendation:

It is recommended that the offender's release conditions be modified as indicated.

The U. S. Attorney's Office has been advised of the offender's noncompliance and the probation officer's request for the proposed modification.
